

American Art in Miniature - Thomas Gilcrease Museum - Tulsa, Oklahoma

Friday, 09 June 2006

The Thomas Gilcrease Museum held their "American Art in Miniature" art auction at the museum. Karen, Rebecca, and Bonnie Latham each had a painting accepted into the exhibition. Karen's painting, "First Light", was auctioned at \$1000.00 over the asking price. It was both a compliment and an honor to be part of the exhibition supporting this wonderful museum.
